Seaboard Oak

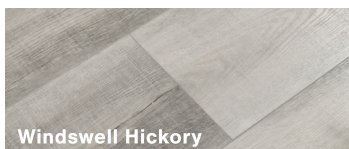

Expand Your Dimensions

Longer, broader, and better looking than ever. That's the gist of Cali Vinyl[®] Longboards[™]. The coastal-inspired collection offers extra large planks for more natural looking floors that install even faster and create spaces that feel more open and serene. Our hardwood visuals are so authentic, you'll wonder if you're standing on actual timber. Planks are 100% waterproof and geared for commercial grade durability with a GeoCore[®] limestone composite foundation. An ultra-thick 20mil wear layer delivers scratch protection from all the pets, kids, and party-people in your life, while built-in acoustic padding offers boosted sound insulation.

Whitewater Oak

Made for the Soak Zone

100% waterproof planks are exactly that, meaning Cali Vinyl can be installed in every room including kitchens, bathrooms, and basements. This also makes for easy cleaning!

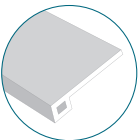

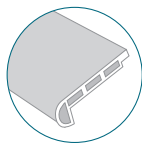

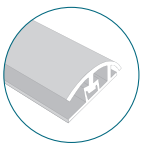

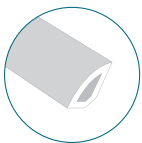

Authenticity You Can Touch

Longboards Collection floors don't just look like hardwood; they feel like hardwood, with specialized knot and grain embossing that matches up with what you see.

GeoCore: Bad to the Bone

This backbone of limestone composite resists indentation and delivers 50% better dimensional stability (less expansion and contraction), requiring no acclimation or transition pieces.

Accessories

Construction	100% Waterproof GeoCore (SPC Composite)
Milling	Rapid Click-Lock
Grain	HiFi® Imaging with embossed in register (EIR) grain
Plank Length	70-7/8"
Plank Width	9"
Plank Thickness	8mm
Attached Pad	2mm IXPE
Wear Layer	20mil./0.5mm
Package Weight (lb.)	66.6
Install Type	Float, Glue
Residential Warranty	50 Year
Commercial Warranty	15 Year Commercial
LEED Points	EQC4.3
Indoor Air Quality	Low Emitting VOC & Prop 65 Compliant (VOC and Phthalate Test Results Available Upon Request)
Certification	FloorScore® Certified
Sound ratings	With Cali Complete: STC 61 & IIC 65 Without Underlayment: STC 61 & IIC 63
Application	Residential, Commercial
Radiant Heat Compatible	Yes (up to 85°F)
Static Coefficient of Friction (ASTM C1028)	Dry: 0.83 Wet: 0.70
Cleanability/Stain Resistance	Class 4, Heavy Commercial
Light Resistance	Class 4, Heavy Commercial
Fire Rating	Class A

CALI
HARDWOODS®

Meritage Collection

www.CaliFloors.com

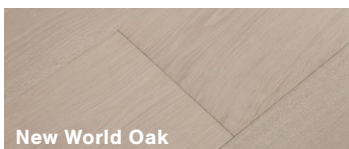

Vineyard Oak

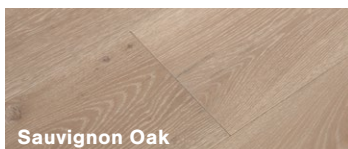

European Oak, California Character

Wine lovers know a meritage as a French Bordeaux style blend made in California. Similarly, this premier Cali Hardwoods collection sources high-end European white oak from France's Ardennes Forest, and infuses it with an eco-minded California character. This timber boasts a provocative grain and is stained to perfection to draw out a range of visual intricacies. Veneers are 4mm thick and Euro sawn to accentuate an array of colors and textures. Planks are responsibly sourced, extra wide, highly varied, and green to the core -- stabilized by a foundation of cross-constructed, sustainable acacia wood.

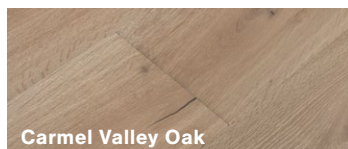

Available Colors

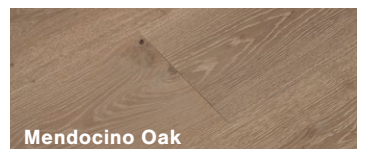

New World Oak

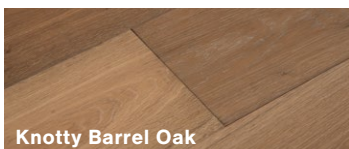

Sauvignon Oak

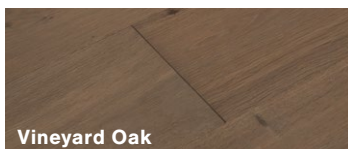

Carmel Valley Oak

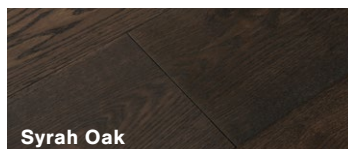

Mendocino Oak

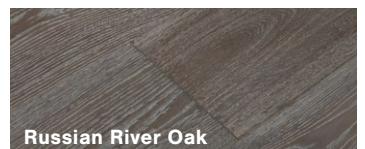

Knotty Barrel Oak

Vineyard Oak

Syrah Oak

The Designer's Dream Floor

The eight Meritage styles were hand-selected and customized to elevate all interior designs. Versatile hues complement any range of color palettes, and rich oak wood textures add the perfect touch of rustic character.

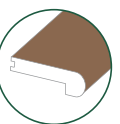

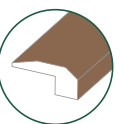

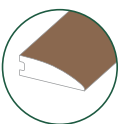

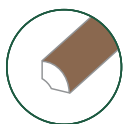

Green to the Core™

Meritage floors feature a top beauty layer of European white oak over a sustainable foundation of layered acacia. Using a fast-growing timber for the core allows planks to be larger, more dimensionally stable, and get 4x as much flooring from each tree.

Expand Your Dimensions

Meritage planks are cut wider and longer than the industry standard. Broader dimensions make rooms feel more modern, expansive, and serene.

Accessories

Grain	Wire-brushed Oak
Construction	Engineered Hardwood - Green to the Core™
Plank Length	Random Length up to 86-5/8"
Plank Width	9-1/2"
Plank Thickness	19/32"
Sqft./Box	34.1 sqft.
Milling	Tongue-and-Groove
Installation Method	Glue, Nail with Glue Assist
Finish	7 Coat Aluminum Oxide Finish
Resin	Low Emitting VOC & Prop 65 Compliant. Test results available upon request.
Residential Warranty	50 Year Structural and Finish
Commercial Warranty	15 Year Structural and Finish
Radiant Heat Compatible	No
LEED Points	EQC4.3
Fire Rating	0.46 W/cm2 (Class 1)
Certification	FloorScore® Certified, FSC® available upon request
